

# FAFSA DROPS IN DECEMBER THIS YEAR!

ARE YOU AWARE THIS THIS YEAR'S FAFSA  
WILL BE SLIGHTLY DELAYED?

# THIS YEAR ONLY, THE FAFSA DROPS IN DECEMBER INSTEAD OF OCTOBER!

1. Visit [studentaid.gov](https://studentaid.gov).
2. Apply for your FSA ID (and one for your parent/guardian, if necessary) at <https://studentaid.gov/fsa-id/create-account/launch>
3. Complete your FAFSA as soon as possible after it becomes available in December. Next year's FAFSA will return to its traditional release date of October 1st.

It's just that easy! And the FAFSA determines your eligibility for federal, state, and school aid, as well as grants and scholarships. So don't wait, because the early bird (um, owl) gets the worm!
