Inceptia Announces CEUs Available For Upcoming NASFAA and HEFWS Conferences

Inceptia is pleased to announce that individuals who have earned the designation of Certified Personal Financial Manager (CPFM) through Inceptia may earn over twenty Continuing Education Credits (CEUs) this summer by participating in two upcoming national conferences.

Those attending the National Association of Student Financial Aid Administrators Conference (NASFAA) in San Diego June 26-29 will be eligible to receive CEUs from the 44 sessions we have approved for credit (see list below). Attendees will earn one credit for every hour spent within these sessions.

Those attending the Higher Education Financial Wellness Summit (HEFWS) in Minneapolis, MN July 30-August 1, can earn up to seven CEUs for attending regular conference sessions (all have been approved for credit). An additional six CEUs can be earned by attending pre-conference sessions.

For both conferences, CPFM designees may submit their CEU requests through Inceptia’s online CPFM portal at https://www.inceptiacpfm.org/. Please direct any questions to CPFMANAGER@Inceptia.org.
